SF03 ADDING A FOREST

English Translation

Forest Manager	
Village	
Name of Forest	
Location (description)	
Beacon Coordinates	
Area (ha)	

I/We hereby state that we wish to add the above described Forest to the Group Certificate, and that, if accepted, we agree to manage it in accordance with all Group Rules and Applicable FSC Principles and Criteria. We are submitting with this form a copy of the current Forest Management Plan which is valid under the Tanzania Forest Act 2002 and has at least the next two years left to run, along with a copy of the Village Land Certificate, and any necessary additional proof that we have the right to manage the aforementioned Forest. I/We commit to keeping this Forest in the Group Certificate for at least five years, and to make all reasonable efforts to abide by group rules in relation to this forest over this minimum period.
